## Short Breaks for Adults with Learning Disabilities

1 Beech Avenue, Pennsylvania, Exeter. EX4 6HE  
Tel: 01392 411229

Haldon View offers short term residential care and support for adults with learning disabilities.

We are able to support carers and service users by -

- enabling both to take regular breaks from their normal routines.
- providing care in times of crisis, such as when carers are ill or in hospital.
- enabling carers to go away on holidays.

Haldon View is a large and lovely house, with a big garden, and comfortable accommodation. It is registered for up to eight people aged 18-65, though most are in the lower age range.

We work closely with carers so as to ensure that we deliver the quality of service they expect, and can have confidence in.

We try to provide an atmosphere and surroundings where people are treated with respect. A place where people feel happy and enjoy staying.

We offer a wide choice of activities including, arts and crafts, computer games, karaoke, table football, and pool table. There is also a wide selection of music, videos and DVDs.

We have a mini-bus thanks to the fundraising efforts of some of our carers. It is used to take service users out and about at week-ends and on summer evenings.

Our staff team are committed, experienced and trained to a high standard.
