Sophie Holmes

People growing older with learning disabilities - NICE Guidelines. NICE is the short name for National Institute for Health and Care Excellence.

The guide says what care and support people with learning disabilities should have as they grow older.

We will be thinking about how we can check that the guidelines are working well in Devon.

Next meeting is on 22nd January 2018, 10.15 – 1.00 at Wonford community Centre Exeter.
