Welcome and introductions

Sally will welcome everybody to the meeting

Everybody will be asked to say their name and a little bit about themselves if they want to

We will go through the notes from the last meeting to check they are right

We will check any actions (what people said they would do) from the last meeting.

The actions:

- Asking the foundation for people with learning disabilities if we can share their online safety document on our website
- Contact Devon Link up about their online training

Choosing what action from the action plan we want to work on first

Agreeing who's going to do what action

Anything else that people want to talk about
