

Notes from Online Safety working group 16.03.2021

Welcome and introductions to everybody

Sally welcomed everyone to the meeting

We looked at easy read documents and websites that have online safety information:

- We looked at an online booklet by the foundation for people with learning disabilities

Everyone at the meeting thought it was very good and easy to understand

We are going to ask the foundation for people with learning disabilities if we can upload the document to the learning disability Devon website so that people have something available now to help

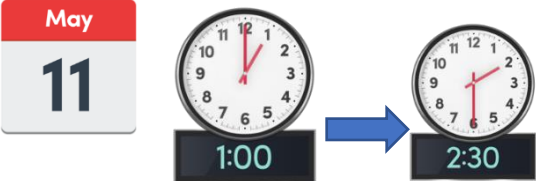

We went through the action plan that has all the ideas and information that people said would help them to stay safe online and these are listed below:

- How to keep personal information safe
- Helping people to understand and know how to avoid scams
- Social Media
- Sexual exploitation
- Location/GPS services
- Understanding of Bluetooth and the risks
- Online Bullying
- General computer settings

Things the group would also like to do and include in the action plan:

- Everything must be in easy read
- Upload the number that you can contact to report a scam
- People would like personal internet plans/ checklists
- We will share some information using photos with audio over the top to explain different things such as how to change privacy settings
- We will also share some information through videos that can be posted on the website

	<ul style="list-style-type: none"> We will make a questionnaire finding out which social media people use the most
	<p>All of this information will be written into our action plan</p>
	<p>Actions from the meeting:</p> <ul style="list-style-type: none"> Sally will ask Robert to contact Devon link up about their online training
	<p>What we will talk about in the next meeting:</p> <ul style="list-style-type: none"> At the next keeping people safe group, we will talk about how we can involve people who cannot attend meetings and how they can share their ideas
	<p>The next working group online safety will be Tuesday the 11th of May at 1:00pm-2:30pm</p>
