

Key Priorities for The Communication Group (Devon Learning Disability Partnership Board)

16.02.2021	Key Priorities	Actions-work we will be doing
	Learning Disability Devon Website Ideas	
	Helping people stay safe online	We have set up a group to do the work to help people to stay safe online. <ul style="list-style-type: none">• This group has its own action plan

Sharing information about the work of the board

The group decided that we would work on creating a newsletter

- Have an easy read newsletter, including hot topics, photos, events page, interviews
- Interview with employment hub and the benefits it has on individuals
- Newsletter information will also be on the website
- Have Devon sign on logos and NHS and organisations that are supporting it
- Make it fun and interesting
- Who's getting interviewed first for newsletter
- Look for other organisation's newsletters eg Dorset
- Interactive newsletter linking to other things
- Sharing the LDPB video on NHS website and other websites
- Make it visual and make another video including everyone from partnership board and talking about the difference that it makes

		<ul style="list-style-type: none">• Visual presentation on employment, housing and hearing people's experiences• Employment issues with kick start programme and wanting opportunities for people with a learning disability to be a part of• Understanding reasonable adjustments• Meet up and continue sharing ideas with each other• Different sections on each one• Events/housing/health/covid impact/transport/news/employment/reasonable adjustments and how people overcome them• Put all information in order and what has been agreed
