

Information to help people keep safe when using the internet

Peoples ideas – our action plan

Helping people to understand and know how to avoid scams

- Create information to help people understand about scams and the different types
- How to spot a scam
- Look at how we can find out what scams are happening and how we can let people know
- Upload the number that you can contact to report a scam 7726
- Find out if the police or other authority have an official list for scams to avoid

Social Media

- How to report people if they are being unkind on different platforms
- Dangers of Message requests from people you don't know
- Check your friend list
- Making profile only available for your friends
- Friend requests
- How to block people and emails
- Understanding our computer settings and how to change them and stop pop ups

	<p>Sexual exploitation</p>	<ul style="list-style-type: none"> • Strangers asking for indecent images (sexual exploitation) • Grooming (people pretending to be somebody else and try to gain your trust) 	
	<p>Location/GPS services Understanding of Bluetooth and the risks</p>	<ul style="list-style-type: none"> • Explain what Bluetooth is • Mention the dangers that can happen from it 	
	<p>Online Bullying</p>	<ul style="list-style-type: none"> • Information about bullying online and how to reduce the risk of this • How to • Report it 	

General computer settings

- how to change them and stop pop ups
- Understanding cookies and permissions and how your information may be shared

How we will make the information available

- We will share this information through videos that can be posted on the website
- We will share some information using static photos with audio over the top to explain different things such as how to change privacy settings
- We will also share some information through videos that can be posted on the website
- We will make a questionnaire finding out which social media people use the most

General ideas

- People have their own personal plan/list
- We will contact safeguarding team
