

Notes from the Devon Learning Disability Partnership Board Online safety group

Welcome and introductions

Sally welcomed everyone to the meeting.

We went through the notes from the last meeting to make sure they were right

We went through the actions from the last meeting

- Robert to email linkup and Learn Devon about their online safety information- Robert hasn't heard back and will email linkup/LD again
- Put learning disability foundation booklet onto the website- Lauren hasn't heard back from foundation for people with a learning disability and will email them again

Lauren and Robert talked about the Friends against scams website and explained how they found an interactive scam awareness information

The group all took part in the information and took part in answering the questions

The group enjoyed the training and thought it would be a good idea for us to have a go at making our own scam awareness training for the easy read website

New actions from this meeting:

- The group to go through the LD website and check any headings with Covid and decide whether it needs to stay there and if it is relevant anymore
- Work on our own version of a scam awareness information
 - Sally, Robert and Lauren to have weekly meetings planning and working on this
 - Keep in contact with the rest of the group and updating them on it

The next meeting is Tuesday the 7th of September at 1:00pm-2:30pm
